

## Product Information

# 00 50 50 T LE

## Tool bag for working at heights

Empty

Small

- Tool organiser: keeps tools and accessories protected and organised when working at heights
- 11 steel D-rings: 8 for attaching tethered tools and 3 to attach the bag to your climbing equipment – also suitable for left-handers
- Holds a variety of items: divided main compartment, document/tablet compartment (A5/10") including pen holders and four side pockets
- Two external metal retaining clips for cordless power tools and 18 internal elastic loops
- Multifunctional lid: rolls away for easy access to tools and hook-and-loop patch for individual labelling
- Removable shoulder strap for comfortable transport (not to be used when at heights)
- Strong synthetic fibres, dirt and splash-proof due to rubber lining
- Plastic-reinforced base plate with five rubber feet
- To meet regulations while working at heights, for example industrial climbing, arborists, rescue services, at sea, etc.
- Volume approx. 12 litres, outer dimensions HxWxD approx. 370 x 250 x 150 mm, weight when empty approx. 1400 g
- Independently certified safety: reliably loadable up to 10 kg
- No PPE (personal protective equipment): not suitable for personal safety!

### General

Article No.	00 50 50 T LE
EAN	4003773089032
Weight	1,400 g
Dimensions	300 x 150 x 300 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

### Technical details

Dimension exterior (interior) width mm	250 mm
Dimension exterior (interior) height mm	150 mm
Dimension exterior (interior) depth mm	300 mm

*Technical changes and errors excepted*
