

## Product Information

# 72 62 200

## High Leverage Flush Cutter

For soft metal and plastic

- For easy and flush cutting of soft metal or thicker profiles and plastic components
- Energy-saving, flush cutting also of thick workpieces thanks to extremely effective lever action mechanism
- Space for hands and flush cutting due to 20° angled head with joint bar on one side
- Opening spring and locking device are integrated in the handles for comfortable work and safe transport
- Precision cutting edges for soft material
- Durable due to induction-hardened cutting edges to 59 HRC

MM  $\angle 20^\circ$  

| General         |                                 |
