

## Product Information

# 77 02 130 ESD

## Electronics Diagonal Cutters ESD

With box joint

- Durable, load-optimised design with backlash-free box joint
- High, slim sleeves for fine and comfortable gripping between thumb and index finger
- Electrically discharging handles - dissipative
- Less physical effort due to very high transmission ratio
- Load-optimised for a more direct feel when working
- Low-friction double spring for smooth and even opening
- The mirror polish in combination with a fine oil film provides rust protection - no circuit faults caused by peeling chrome from plated tools
- Cutters additionally laser hardened, cutter hardness at least 62 HRC
- Round head, with small bevel

| General  |                              |
|--|------------------------------|
| Article No.                                    | 77 02 130 ESD                |
| EAN  | 4003773089209                |
| head   | mirror polished              |
| handles  | with multicomponent handles  |
| Weight   | 81 g                         |
| Dimensions                                     | 130 x 50 x 18 mm             |
| Standard                                       | DIN ISO 9654 DIN EN 61 340-5 |
| REACH compliant                                | does not contain SVHC        |
| RoHS compliant                                 | not applicable               |
| Technical details                              |                              |
| Cutting capacities medium hard wire (diameter) | Ø 1.5 mm                     |
| Cutting capacities hard wire (diameter)        | Ø 0.8 mm                     |
| Jaw length (B)                                 | 16.2 mm                      |
| Jaw thickness (joint) (D)                      | 8.5 mm                       |
| Head width (A)                                 | 13 mm                        |
| Cutting edge length mm (C)                     | 16.2 mm                      |
| ESD  | yes                          |

Technical changes and errors excepted
