Precision Tweezers

- For particularly demanding precision work: tough and highly resistant to corresion.
- Handcrafted: polished edges and an excellent matt, scratch-free and non-reflective surface
- For the electronics industry, watchmakers, jewellers, laboratories with biological and medical applications in moderately aggressive chemical environments
- High-quality premium stainless steel: high temperature resistance and excellent corrosion resistance to most chemicals, salts and acids
- Ideally suited for microscopic work, precision handling, repairs, manufacturing electronic components, as well as other general applications; tips are guaranteed to have perfect symmetry and balance
- Also available as a set (92 00 02)
