

## Product Information

# 97 49 65

- Anwendung: Solar-Steckverbinder MC3 (Multi-Contact) 2,5 - 6,0 mm<sup>2</sup>

### Die set

For solar cable connectors MC3 (Multi-Contact)

| General                        |  |
|--------------------------------|--|
| Article No.                    | 97 49 65                                   |
| EAN                            | 4003773066682                              |
| Weight                         | 33 g                                       |
| Dimensions                     | 50 x 11 mm                                 |
| REACH compliant                | does not contain SVHC                      |
| RoHS compliant                 | not applicable                             |
| Technical details              |  |
| Application                    | solar cable connectors MC3 (Multi-Contact) |
| Capacity in square millimetres | 2.5 – 6 mm <sup>2</sup>                    |
| Number of crimp profiles       | 3  |
| AWG                            | 14 / 10                                    |
