

## Product Information

**97 49 84**

- Application: fibre optic connectors, e.g. Huber/Suhner sleeves: 4.5, 5.2, 6.0 mm

### Die set

For Huber/Suhner connectors for fibre optics

| General                  |   |
|--------------------------|---|
| Article No.              | 97 49 84                                  |
| EAN                      | 4003773042792                             |
| Weight                   | 52 g                                      |
| Dimensions               | 50 x 10 mm                                |
| REACH compliant          | does not contain SVHC                     |
| RoHS compliant           | not applicable                            |
| Technical details        |   |
| Application              | fibre optic conncetors, e.g. Huber/Suhner |
| Number of crimp profiles | 3   |
| Capacity SW mm           | 3.8 / 4.3 / 4.95 mm                       |
